

## ONE SIZE CLOTH NAPPY, £14.75 EACH/£64.95 FOR A PACK OF FIVE, BUMGENIUS

**Charlotte says** 'The appearance of this one is very natural and it fits like a normal nappy, which is more attractive for Morgan to wear than some of the other reusable nappies. It supports and fits her very well and is easy to put together. Everything is ready to use and it's quick and easy to clean. This is the best nappy at keeping Morgan dry and comfortable.'
